THE CUBAN REPUBLIC. Conditions in Cuba have been much improved since the Americans took control of affairs, and since they are now free to manage their own affairs the question arises as to their ability to maintain self-government. The experiment will be watched with much interest. In this case it is a worthy experiment, but if you are sickly it is not advisable to experiment with any of the many so-called health restorers that have no merit. The only way to recover your health is to perfect the digestion, keep the bowels open and the blood pure. For this purpose you cannot find a better or more reliable medicine than Hostetter's Stomach Bitters. Try it for heartburn, belching, indigestion, dyspepsia, constipation, biliousness, of malaria, fever and ague. It never fails to cure.

REDUCTION SALE. Mrs. R. Ingleton is having a big reduction sale on shirt-waists, skirts, children's clothes, infants' clothes, and all kind of ladies' and children's furnishing goods, including hair switches and pompadours. Particularly in such the case in damp climates. The need is well met in a perfect article made right here in Astoria. Cutbrieth's Crocoote Shingle Stain is penetrating, preservative, harmless and durable. They are put up in eight colors and every package guaranteed.
